Vol. XV, No. 49

If you died today and went to Heaven and heard these words, "Why Should I Let You In".

Knowing there is only ONE answer, what would you say?

Hebrews 9:22

Never try to save out of God's cause; such money will canker the rest.

Giving to God is not loss; it is putting your substance in the best bank.

Giving is truly having, as the old gravestone said of the dead man:

What I spent I had; what I saved I lost; what I gave I have." Charles Spurgeon

But the very hairs of your head are all numbered.

Matthew 10:30

In Days Gone By

On Dec. 9, 1907, Christmas seals went on sale for the fighting of Tuberculosis. This was a dreaded disease for our generation.

On Dec. 11, 1895, Dr. John R. Rice was born.

On Dec. 11, 1927, Dr. R.G. Lee preached his first sermon at Belview Baptist.

Every time you get upset at something, ask yourself if you were to die tomorrow, was it worth wasting your time being angry?

AIRPLANES

The loudspeaker of the big jet clicked on and the captain's voice announced in a clear, even tone: "Now there's no cause for alarm but we felt you should know that for the last three hours we've been flying without the benefit of radio, compass, radar, or navigational beam due to the breakdown of certain key components. This means that we are, in the broad sense of the word, lost and not quite sure in which direction we are heading. I'm sure you'll be glad to know however, that we're making excellent time!"

An airliner flew into a violent thunderstorm and was soon swaying and bumping in the sky. One very nervous lady happened to be sitting next to a clergyman and turned to him for comfort.

"Can't you do something?" she demanded.

"I'm sorry, ma'am," said the reverend gently. "I'm in sales, not management."

The airline company was disturbed over a high percentage of accidents and decided to eliminate human errors by building a completely mechanical plane.

"Ladies and gentlemen," came a voice over a loudspeaker on the plane's maiden voyage, "it may interest you to know that you are now traveling in the world's first completely automated plane. Now just sit back and relax because nothing can possibly go wrong . . . go wrong . . . go wrong . . . go wrong . . ."

That airplane flight was so rough that the flight attendants poured the food directly into the sick sacks!

Pilot: Pilot to tower . . . pilot to tower . . . I am 300 miles from land . . . 600 feet high and running out of gas . . . please instruct . . . over.

Tower: Tower to pilot . . . tower to pilot . . . repeat after me . . . "Our Father, which art in heaven . . ."

A man is now able to go across the United States in eight hours . . . four hours for flying, and the other four to get to the airport.

Pilot: Control tower, what time is it?
Control tower: What airline is this?
Pilot: What difference does that make?
Control tower: If it is United Airlines, it is 6:00 P.M.; if it is TWA, it is 1800 hours; if it is Smogarian Air, the big hand is on the . . ."

Passenger: Say, this is the worst steak I've ever had. Don't you flight attendants even know how to serve a steak? Bring me another steak right now!

Flight attendant: Will that be to take out?

Passenger: Excuse me. How high is this plane?
Flight Attendant: About 30,000 feet.
Passenger: And how wide is it?

THEY WON'T MISS ME

"They won't miss me," said the mother as she repeatedly left her children for other things. But soon her children were hooked on pornography, TV, violence and drugs.

"They won't miss me," said the soldier as he went A.W.O.L. But he spent thirty days in the guard house for it.

"They won't miss me," said the sentry as he slipped away from duty. But the enemy surprised and killed his fellow-soldiers that night.

"They won't miss me," said the man on the assembly line as he slipped out and left the plant. But the plane crashed for the lack of a part he was supposed to put in the engine.

"They won't miss me," said the church member as he became unfaithful in his church attendance. But then he wondered what happened when he no longer had the joy of the Lord; could no longer get his prayers answered; saw his family go to the dogs and felt a terrible emptiness inside.

"I will never go back to that church!"

An irate husband arrived at his home about 1:00 p.m. from church and raved at his wife, "Don't ever ask me again! I will never go back to that church."

The wife very calmly said, "Oh, you'll go back next Sunday."

"No, I won't," he shouted.

Cool and "collected" his wife reasoned, "Give me two good reasons why you should not go back."

"I could give a hundred," he shouted, "but here's a couple—first, no one in the church likes me, and second, I don't like anyone in the church."

Very confidently his wife said, "You'll go back—fact is, you will be there next Sunday."

"Give me two good reasons why I should go back," he snapped.

"Well, my dear, I could give you a hundred but here are a couple—first, you are a mature person and you know it is right to go to church; and second, you are the pastor."

"I heard . . ."

"They say . . ."

"Everybody says . . ."

"Have you heard . . .?"

"Did you hear . . .?"

"Isn't it awful . . .?"

"People say . . ."

"Did you ever . . .?"

"Somebody said . . ."

"Would you think . . .?"

"Don't say I told you . . ."

"Oh, I think it's perfectly terrible . . ."

PSYCHOLOGY TACTICS CREATE SPIRITUAL DECEPTION

Mass psychology is a modern technology rooted in OCCULTISM to get people to worship the Antichrist as God. It advocates brain-washing youth at young ages and has been going on for decades. It is an attempt to get millions of children and adults to disbelieve in God, disbelieve the Bible and disbelieve in right and wrong. It is an attempt to destroy biblical and family values.

The goal of the occultists is to destroy America, promote globalism with a one-world government. Marxism, socialism, communism and progressivism are all developed to destroy the individuality of men and women created in God's image. God is replaced by government. All of this contradicts God's plan for humanity. It is a religion that places state above God and there is no absolute right or wrong. Christian nations, especially America, need to wake up, NOW!

Here is a partial list of their goals:

1. Continually create racial conflicts.
2. Teach sex and homosexuality to young children.
3. Create massive immigration to destroy national identity.
4. Promote heavy drinking.
5. Make people dependent on the state for benefits.
6. Control and dumb down people through the media.
7. Promote breakdown of the family.
8. Destroy Christianity by infiltrating its institutions and emptying its churches.
9. Destroy patriotism and the concept of nationalism by the independent nation-state.
10. Attack the authority of the father. Endless television shows and movies portray the father as weak and incompetent. Rebrand the feminine mother as the true authority figure in marriage and promote the mother, single or married, as a supervoman—beautiful, sexually attractive, career-driven, having multiple affairs.

All you need to do is turn on your TV and watch these goals played out right before your eyes. If you care about your family, turn to the Bible, turn to Christ, turn to the truth before it is too late.

Even for the dead, I will not bind
My soul to grief; death cannot long divide;
For is it not as if the rose that climbed
My garden wall had bloomed the other side?
