*Whate'er I have is mine
To give away;
My light was giv'n to shine
On souls astray:
No good is just mine own,
No blessing mine alone,
All must be used to crown
Another's day.*

John Wesley's biographer said of him: "He was out of breath in pursuit of souls."

ANSWER: The NUT BEHIND THE WHEEL!

Too Busy for God?

Some folks say they're too busy to take time out to pray. Other things are more important which fill their busy day. Then suddenly they look around and find themselves in trouble. Disaster has hit! Wham! bust's their little bubble.

Then in desperation they look for someone to blame. Instead of looking at self, It's God's fault they claim! When they find they can't fix it they call on God's name..... Wanting Him to make things right but feeling no remorse or shame!

Then finally admitting they'd done something wrong; And so, they start singing a different song. They finally get down on their knees and pray..... They ask God's forgiveness then to go on their merry way!

No time for relaxation got to keep moving on; Caught up on the fast track they're traveling upon! All tied up and can't untie the knot and get loose; Just too busy for God, is their lame excuse!

To survive they've got to keep up the pace! Spinning their wheels in this hectic rat race! My friend if you're caught up in this kind of life..... You'll wind up on pills to aid stress and strife!

You may find that life has left you filled with despair; Struggling to make it but going nowhere! You'd better regroup and take time out my friend. Get acquainted with God, on whom you can depend!

Only in Him can the good life be found; If you'll walk in His pathway joy will abound! You'll find in Him all you've been searching for. You'll have contentment and peace and so much more!

**DRAW NIGH
TO GOD,
AND HE WILL
DRAW NIGH
TO YOU.**

IT DON'T MAKE NO SENSE TO ME EITHER!

A man in North Carolina had a flat tire, pulled over to the side of the road, and proceeded to put a bouquet of flowers in front of the car and another one behind it. Then he got back in the car to wait.

A passerby studied the scene and became so curious that he turned around and went back. He asked the fellow what the problem was.

The man replied, "I have a flat tire." The passerby asked, "But what's with the flowers?"

The man responded, "When you break down they tell you to put flares in the front and flares in the back. Hey, it don't make no sense to me either."
